

Husqvarna LC 247iX

Battery lawn mower for medium-sized lawns with increased cutting width for hassle-free mowing and minimum maintenance. Lightweight composite deck for easy manoeuvring, while intuitive keypad gathers all controls for ease of use. Quiet, efficient smoke-free operation with zero direct emissions. Dual battery slots compatible with all Husqvarna batteries offer increased runtime and improved cost-effectiveness. Bluetooth connectivity provides the user with product data and information and enables more efficient servicing.

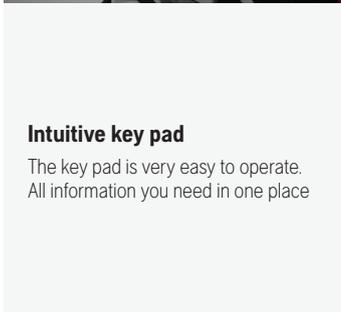

Easy adjustable handle bar

Quick and easy adjustment of the handle in two different heights.

Lifting handle front and rear

Easy grip in front and rear for lifting into storage, the car or carrying up the basement stairs.

Intuitive key pad

The key pad is very easy to operate. All information you need in one place

Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever effects the whole deck.
