

Husqvarna LC 353iVX

Battery lawn mower with increased cutting width and dual battery slots, compatible with all Husqvarna batteries for increased convenience, cost-effectiveness and runtime. Quiet, efficient smoke-free operation with zero direct emissions. Ergonomic design includes intuitive keypad, simple height adjustment and easy manoeuvring. Self-drive for easier mowing of medium-sized lawns. Bluetooth connectivity provides user with product data and information and enables more efficient servicing.

Quiet operation

The low noise provides a comfortable work situation and low disturbance for others.

Intuitive key pad

The key pad is very easy to operate. All information you need in one place

Double battery slots

Continuous drive with two batteries means longer runtime and more efficient mowing

Husqvarna Connect

With the smart Husqvarna Connect app, you'll have easy access to helpful tips, manuals and spare part recommendations. For your connected Bluetooth equipment, the app also provides additional information such as runtime and charging status as well as maintenance and service needs. The app can be downloaded, free of charge, from App Store or Google Play.
